INFORMATION GUIDANCE FOR BIOSKY PHOTONIC CRYSTALS

All and any color of BIOSKY Photonic Crystals serves to:

- Protect From EMF and neutralize the impact of negative energy Flows and torsional Fields like: Hartman-Wilson nets, Curry nets, geopathic zones, etc.;
- Structure the water;
- Restore the aura after negative energy-informational impacts: evil eye, curses etc.
- Eliminate blockages in energy-informational structures of human (meridians, chakras, central channels, etc.)

Practical use of Photonic Crystals

There are many practical uses of BioSky Photonic Crystals

1. BIOSKY protects you from electromagnetic frequencies:

- For this purpose BIOSKY photonic crystals should be carried with you constantly. It is recommended to change BioSky location every once in a while and avoid long time use in the heart zone.
- It is recommended to carry BIOSKY in the cell phone case.
- During sleep it is recommended to place the crystal with its flat side to a person at 30-40 cm from the body.

2. BIOSKY charges your Water and Food

- BIOSKY photonic crystals significantly improve water properties and structure, eliminate negative information, decrease the redox potential (RP) of the water.
- Water treated by BIOSKY protects the organism from free radicals, restore the immunity, gives organism additional energy, vital force and longevity, also stimulates plants growth.
- Besides water, you can also improve the quality and taste of your food, supplements, drinks, including alcohol.

3. BIOSKY balance the energy channels (meridians)

To balance each meridian it is recommended to use two identical BIOSKY photonic crystals corresponding to a needed meridian.

1. Place one crystal under the left foot and the other crystal in the right palm for 5 minutes.
2. Change the position of the crystals by placing the first crystal under the right foot and the second crystal in the left palm for 5 minutes.
3. Put one crystal under the coccyx (Muladhara-sacral chakra), and put the second one in the zone of forehead

(Ajna- third eye chakra) or in the neck zone (Vishuddha-throat chakra) for 5 minutes.

It is recommended to repeat the procedure 1 and 2 in the morning and evening and procedure 3 several times during the day. The numbers of days for therapy are not limited.

BIOSKY for Meridians Balancing

In traditional eastern medicine, energy channels are commonly called meridians, through which vital energy circulates between organs and systems. In the human body there are 12 main paired meridians. You need the whole set of BIOSKY photonic crystals to balance all 12 meridians. The set includes 6 crystals and each crystal regulates 2 paired meridians:

- BIOSKY RED** – ‘Triple Heaters-Pericardium’ meridians;
- BIOSKY VIOLET** – ‘Heart-Small Intestine’ meridians;
- BIOSKY YELLOW** – ‘Stomach-Spleen’ meridians;
- BIOSKY WHITE** – ‘Lungs-Large Intestine’ meridians;
- BIOSKY BLUE** – ‘Kidneys-Urinary Bladder’ meridians;
- BIOSKY GREEN** – ‘Liver-Gall Bladder’ meridians.

BIOSKY set includes 6 crystals: red, violet, yellow, white, blue, green. All 6 are recommended:

- to eliminate energy imbalances;
- to maintain vital forces;
- to resist viral, bacterial and parasitic diseases;
- to support all body systems;
- with autoimmune diseases, immunodeficiency, allergic reactions;
- with mental and psychosomatic disorders;
- with depressive disorders, stress;
- with lack of energy;
- to increased physical, mental and emotional wellbeing;
- for any chronic diseases.

Red Photonic Crystal supports ‘Triple Heaters and Pericardium’ meridians:

- coordinates the activity of all internal organs, eliminates energy imbalance between the organs;
- affects the endocrine and nervous systems;
- activates the brain, improves intelligence;
- regulates psycho-emotional activity;
- regulates the emotions of a sexual nature;
- conducts all energies in the body.

Red Photonic Crystals are recommended:

- in the presence of nervous and endocrine systems diseases;
- with deterioration in well-being in the absence of obvious reasons;
- with sexual disorders;
- with regular headaches;
- in case of psycho-emotional states like: tearfulness, emotional outbursts, irritability, moodiness, aggression;
- in case if you get tired quickly or feel lack of energy;
- For mental development.

Violet Photonic Crystal supports 'Heart-Small Intestine' meridians:

- regulates the heart and small intestine;
- provides normal regulation of blood circulation in organs and tissues;
- regulates higher nervous activity like : consciousness, thinking, emotions;
- regulates sweating;
- affects the process of digestion and absorption of nutrients, absorbency of food;
- due to the regulation of the small intestine, it supports healthy immunity.

Violet Photonic Crystals are recommended:

- with pathologies in the cardiovascular system;
- to preserve the 'vital forces';
- to increase or decrease blood pressure;
- with chest pain, palpitations, dizziness, shortness of breath;
- with body swellings, in case of fatigue, increased sweating;
- with muscle spasms, cramps, tired legs;
- with neuropsychiatric diseases;
- with pathologies of the small intestine;
- with pain in the navel, lower abdomen, nausea, weakness;
- with constipation or diarrhea, indigestion;

Common Results

- After 1-2 months of using Bio-Sky Crystals you will increase energy, restore energy field, organs, vital signals, mood, mental, psycho-emotional and physical health.
- Regular use of Bio-Sky Crystals improve body-mind well-being, boosts the body self-healing mechanism, protects from negative impacts.

Technical characteristics

- BIOSKY Crystals are active from both sides and do not require a power source;
- You can use BioSky Photonic Crystals with device Biomedis Trinity to amplify the effects of frequencies.

Preventative measures

- Do not put BIOSKY Photonic Crystal through mechanical influences, immersion in liquids and sudden temperature changes. If you accidentally spill liquid on the crystal, wipe it with a dry cloth;
- With careful handling of the crystal the period of use is unlimited.
